

WE NEED YOU !

WHERE? Owasippe Scout Reservation
WHEN? May 18-19-20
HOW? Fix-It-Upper
WHY? To better prepare the camp
for this summer's program.

THAT'S RIGHT! It's that time of the year again when we need your talents at the annual Fix-It weekend. Don't you remember...shower house's, floor boards, cabin repairs, project COPE and others? Well, we have these and many other projects waiting for your help.

IF YOU CAN DO ELECTRICAL WORK, HAVE WE GOT A JOB FOR YOU!

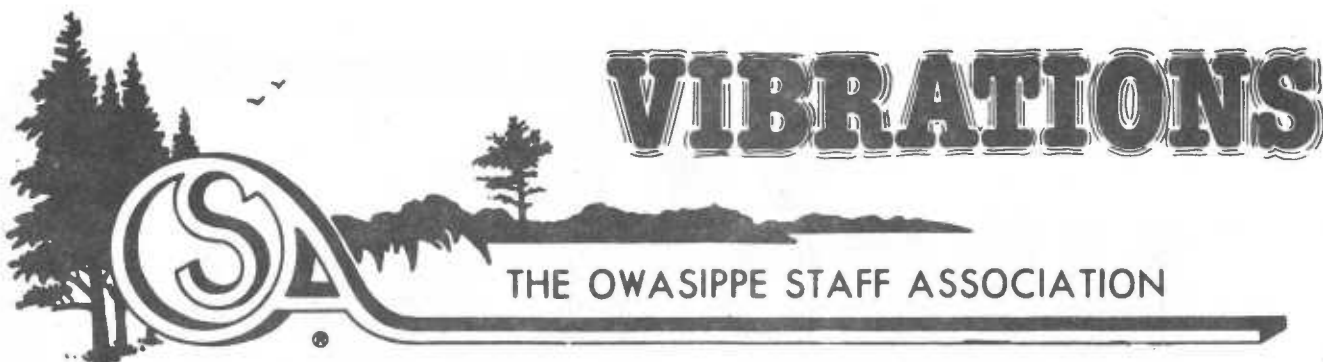

IF YOU CAN DO CARPENTRY WORK, HAVE WE GOT A JOB FOR YOU!

IF YOU CAN DO PLUMBING WORK, HAVE WE GOT A JOB FOR YOU!

AS A MATTER OF FACT, IF YOU HAVE AN INTEREST IN IMPROVING AMERICA'S PREMIER SCOUT CAMP, WE HAVE GOT A JOB FOR YOU!

Please let us know if you care for this position by returning the slip on page 11 to our PO Box or by calling Edgar Wolff-Klammer at 312-677-1688. We hope to see you on May 18-20, but if your schedule prohibits you from applying, please consider helping in another way by contributing to our Camp Project Fund. Proceeds collected will be spent by the OSA to provide needed tools and other camp equipment. Any donation will be well used.

REMEMBER, PROGRESS IS PULLING TOGETHER!

6th ANNUAL BANQUET

The 6th Annual Meeting and Dinner was again evidence that the ties of fellowship and a unique piece of real estate in Western Michigan can motivate people to sing about riding the crest of a wave!

165 members and their friends got together at the Berwyn VFW Hall on March 3rd for a fine dinner, a small bit of business, good spirits, and lively musical entertainment.

The business portion of the meeting began with a welcome by Larry Gersch our Master of Ceremonies. Ron Kulak then asked for acceptance of the minutes of the 5th Annual Meeting and then recognized the many people responsible for making the OSA's '83 operations such a success.

NEW BOARD MEMBERS ELECTED

Voting for replacements on our '84 board of directors resulted in the election of Pat Monahan, Joe Sener, and Mike Schlagel. Each will serve a three-year term as do each of the other six directors. Scott Reid nominated a very good slate of candidates that also included Mike Campbell, Mike Frederick and Edgar Wolff-Klammer. The operating officers elected by the new board are:

President: Mark Behnke
Vice-Pres.: Roy Martino
Secretary: Joe Sener
Treasurer: Philip Niziol

The "person who wrote the name on the napkin", Ron Kulak, offered his

comments and thoughts on his term as President of the OSA and then presented Mark Behnke with the President's gavel. Ron was then honored with a resolution unanimously approved which expressed gratitude for his six years of leadership and dedicated service to the Association. Bill Lotter asked the three other founders present (Jack Norman, Scott Weber, and Larry Miller) to help him present Ron with a commemorative plaque as the crowd stood in ovation.

GLENN ROBERTS HONORED

The most special presentation of the evening was made to Glenn Roberts as both Mark Behnke and Sheridan Nunn introduced Glenn as an Honorary Life Member of the Association in honor of his devoted and exemplary service to Owasispe for more than 10 years. Roberts, since 1973, has donated his time and talents as the business manager for Owasispe and, during the offseason, has been the manager of real estate for the Council. Most recently, Glenn and his wife, Madeleine, designed and hosted the first "Senior's Camp" held at Camp Reneker last summer.

POOLE ADDRESSES MEMBERSHIP

Robert Poole, the new director of camping for the Chicago Area, complimented the organization on its proud record of service and

PRESIDENTIAL POINT

by Mark Behnke

"THINKING BACK - LOOKING AHEAD"

At eleven years of age, a boy can be filled with dreams. Many of these dreams go unfulfilled. Owasippe is a place that can turn a dream into a reality for a short time each summer. As a young Scout, my dreams were not very specific. They included the lakes and streams, the hills and woodlands. Somehow, I did not know exactly what I wanted from all of it. I needed someone to show me and help me find what all of lakes and boats and rope and log towers should mean to me.

When I first came to be on staff at Owasippe, I was seventeen (a late starter). I found the roles reversed. I was now the helper...not the one who needed guidance; or was I?

After living a dream, it is often hard to return to the "real world", but we all do it sooner or later. Most of us had to leave Owasippe behind as our summer home, but each of us still carries memories of what it did for us.

The dreams we had at eleven are still the dreams of Chicago Area Scouts today. The goals and purpose we had as staffmen live on at Owasippe now and are as strong as ever. The reality of the future to these young men will soon be upon them. The Owasippe Staff Association is designed to help make Owasippe the continuous dream of every Scout. What can we do?

The answer lies in a question you should ask yourself..."What can I do?" Have you asked that question lately? The OSA cannot function and be creative without your ideas, goals, abilities, and talents. The board of directors needs to hear from you and respond to you. Ask a question, give an idea, make a comment, help us set new goals.

Many of us remember the excitement that was felt as we achieved our goal of building the Wolverine Shower House. It was a great feeling to see a project

of that magnitude realized. Help us to keep the dreams of Owasippe alive for the future by maintaining its realities in the present.

Our fix-it weekend is a key to our success in this area. We hope you can be there.

ANNUAL MEETING, continued...

urged the organization on to greater heights. He further cited the uniqueness of our organization in comparison to other camps and councils across the country.

Our congratulations also go to all of those who were winners in our best-ever raffle. The grand prize was a Champagne Hot Air Balloon Ride offered by George Johnson. Susan Coussens was the lucky winner. It is reported that Sue only bought two tickets all night and she won something with the second ticket as well. The raffle brought in roughly \$300.

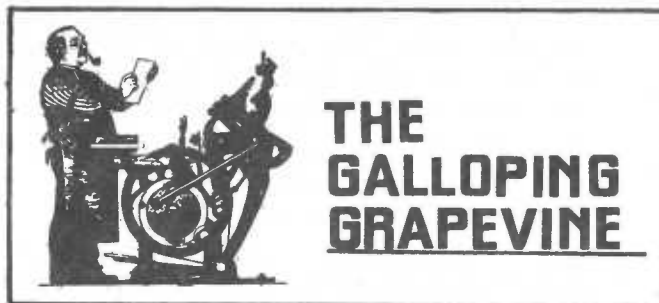

Our thanks also goes out to those who as patrons supported the publishing of the program book with their ads. 50 ads brought in \$650 in cash and credits.

Mike Campbell, 23, is completing his student teaching at St. Patrick HS where he is a math instructor. He will be graduating with a BA degree in education this May from Northwestern Illinois University. Mike will work at Owasippe in '84 for his eighth summer serving as Senior Commissioner at Camp Wolverine. He is also the new membership chairman for the OSA.

Welcome back! Frank Chlebek has returned to the Chicagoland area as a Scouting district executive for the peacepipe district of the Calumet Council effective April 16. This encompasses the Hammond-Muenster Indiana area. Frank previously was a D.E. in Oshkosh, Wisconsin. At least he won't have to travel so far now to do his laundry!

Best wishes are in order for Roger Haas and his fiancée, Patricia Fanning, who will be wed in July. Roger is a marketing consultant for Elmhurst Management Service in Oak Park. They plan to reside in Arlington Heights.

Also engaged to be married are Kevin Murphy and Beth Keyse who are planning an October 14th wedding as well as John Weiss and Mary Deganhart who have set an August 25 date in Aurora, Colorado.

Pete Ziolkowski has relocated to Houghton, Michigan, where he is conducting graduate studies at Michigan Tech. University.

For those of you who may not know ...members Milton Gray and Remy Ludwig served together on the GHQ and Beard staffs from 1927 through 1934. Milt now resides in Highland Park, IL, while Remy now hails from Flat Rock, NC. Both are enjoying their pensions.

Covering the Gary Hart campaign at the many primaries and caucuses across the US is Chris Bury, ABC TV news correspondent assigned to the Midwest bureau. Chris worked on aquatics at Owasippe from 1969 through 1976, primarily at Camp Wolverine North. He and his wife, Katherine Katalane, reside in Chicago. Katy is a new radio host on WGN radio from 7-9 pm on weeknites.

Ron and Marilyn (Young) Kulak proudly announce the birth of their newest and fourth son, Jason Robert, who arrived on February 13 weighing in at 8lbs/10oz. There definitely seems to be an angle on a Cub Scout den here.

DON'T FORGET...Dominick Days on May 21-22-23. Please remember to bring your shopping certificates!

The Sangre de Cristo Girl Scout Council recently hired Joe Alonso, 23, as their Community Director/Volunteer Development Director covering the whole northeastern part of New Mexico. His resident camp is only about 50 miles from Philmont Scout Ranch. Our best wishes for success go out to him!

Ken Yamamoto, aside from his daily job at the water works in Murphysboro, IL, has an interesting diversion on the side. He owns a small farm just outside of that town where he is quickly adapting to the rural life and is raising an assortment of crops and livestock. It's a good bet that he probably is very much into John Denver music!

ON THE ROAD AGAIN! For a change of pace, Tony Krier will be vacationing for three weeks in Rota, Spain, this May as he visits his son and his daughter-in-law who are stationed there with the US Navy. This June, Edgar and Diane Wolff-Klammer will be taking their second cruise in 12 months when they sail up along the picturesque southern peninsula of Alaska.

Lynn Dellamano now resides in Sauk Village and works with a troop in Tinley Park as Scoutmaster. He'll be taking them to Owasippe and to the old Region 7 Canoe Base this summer. "Swoop" is an active member of the Audubon Society and served on the Camp Stuart staffs of 1966-67 under Lloyd "Den Dad" Hanson.

In February 1967, the Chicago Area Council's gazette, THE SCOUTER, had stated, "Donald E. Studaven has been a ranger at Camp Harrison for four years. A '67 recipient of the Silver Beaver Award, Don is Scoutmaster of Troop 1222 and Training

Chairman of Ft. Dearborn District." Today, Don is the ranger at Camp Kiwanis located in Willow Springs. We salute his outstanding tenure and service with the Council's camping properties.

Chalk up another marriage to an Owasippe romance. Congrats and many years of happiness are extended to Mike and Chris (Sanchez) Drazba who were wed on March 25 at Our Lady of Snows Church, Chicago. The reception, which was attended by many of their friends from Owasippe (see picture), was held at the Martinique Banquet Hall on 95th near Western Ave. They now reside in Hickory Hills.

WELCOME NEWEST MEMBERS!

Mike Bassett - Chicago, IL
Denise Cassidy - Darien, IL
Eric Jensen - Elgin, IL
Mike Kuniej - Chicago, IL

Questions regarding membership and new member prospects can be sent to the new membership chairman, Mike Campbell, by calling him at 867-7215. Because many people have moved over the years, the majority of old camp rosters have since been rendered useless. We look to you, the member, for names and addresses of potential candidates for the OSA. We know that camp friendships don't die easy!

CAMP SIGN-UPS. As of April 19, OSR had registrations of 4,321 Chicago Scouts and another 1,452 from outside of Chicago (95 units) for a total of 5,773. For the four section camps, their site reservations are as follows:

<u>CAMP</u>	<u>SITES TAKEN</u>	<u>SITE CAPACITY</u>
Blackhawk	169	189
Carlen	84	84
Crown	69	84
Wolverine	110	140
Totals:	422	497

In addition, the Senior's Camp has 18 cabins reserved: 13 from Chicago Area Scouters and 5 from Out-of-Council. Hosts for that weekend are Frank and Joanne Accardi.

* * * * *

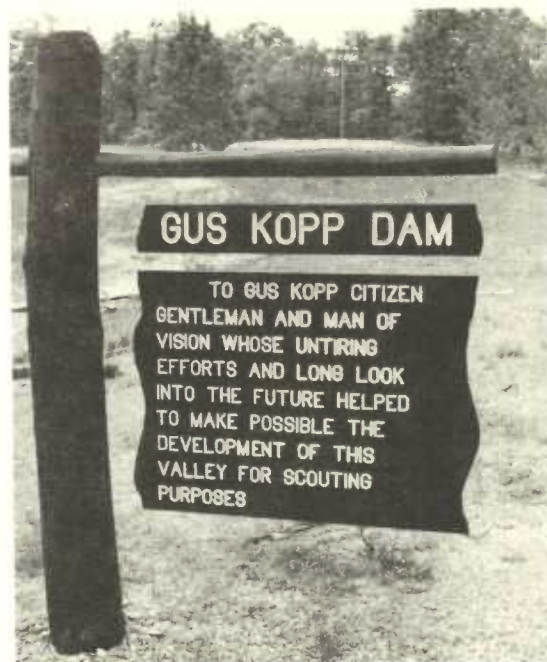

COMPU-CAMP. Through the interest and generosity of Kaypro Computers 6 PCs (personal computers) will be donated for use at Owasippe this summer to inaugurate the Computer Outpost...the first of its kind in the US we believe. Through daily skilled instruction of no more than 2 hours per day, a Scout could complete the merit badge within one week. The east wing of the trading post will house the outpost.

Several sessions will be available throughout the day for those Scouts who have an interest in learning more about computer science and programming and who have the time within their individual and unit

schedules. As all schools are not equipped with such facilities or do not have the available time, OSR could become an important educational center to foster such essential training...to prepare our Scouts for a new technological wilderness within the metropolis.

* * * * *

BUSES FOR SALE! The two small school buses at Owasippe are to be sold, and the resulting net proceeds used to purchase a new 15-passenger van and a new ranger vehicle. Aside from being too big and clumsy for canoe-trip usage, the buses are difficult and expensive to maintain. The annual insurance premium on both is \$3,700. They are in good condition, though.

OWASIPPE HOSTS LOPPET. On Saturday January 28, the 1st Muskegon Loppet 15K Cross Country Ski Race was held at Owasippe as part of the White Lake Area Winter Sports Fest and Snofari. About 100 skiers competed in this event which basically traversed around Lake Wolverine and ended at Ad Center. Following the racers were about 100 other ski enthusiasts who toured on a 10K course. Winner of the 15K race was Jim Heil of Crystal Lake, IL, who finished with a time of 1:03.20. The track was somewhat slow because of newly fallen snow. The race was co-sponsored by the Muskegon YFCA and Mercy Hospital.

* * * * *

LOWER LAKES. Contacts with the US Department of Agriculture have been reinitiated by the Council regarding the potential sale of 1500 acres of land west of Automobile Road (aka Owasippe Lake, 40 acres, et al). Authorities in Cadillac, Michigan, have indicated that no federal funds were foreseen as available until after 1985. At the direction of the Chairman of the Camp Development and Properties Committee, the area in question is undergoing a re-appraisal to determine its assessed value. Presently, there are no program areas or facilities in this once bustling center of Scout activity for the reservation. However, the red and blue trails do connect at old Camp West.

* * * * *

OWASIPPE MUSEUM. Sheridan Nunn has announced receipt of a new mannequin and an original Scout uniform which will go on display this June. A four-drawer file cabinet and a display case were also recently donated. Plans are under way to manufacture small commemorative pins which will be available for purchase this summer. A Spring campaign also will soon be conducted to enlist additional support for the museum and its growth.

If you have items of memorabilia or would like to make a monetary contributions to the museum, write to: The E. Urner Goodman Owasippe Museum, 9900 Russell Rd, Twin Lake, MI, 49457...or call Sheridan at 312-530-8867.

* * * * *

APPRENTICES WANTED! Due to summer school and other personal conflicts, at least 6 apprentice (CIT) positions have opened up for this summer. The minimum age requirement is 15 (by June 16) and Scouts with at least Star rank are preferred. The candidate will be expected to work and train at Owasippe for 9 weeks, June 17 thru August 19. Interested parties should call the Scout Service center for an application by calling 559-0990 and ask for Bill McCahill or Geneva Clark.

(A weary crew of canoeists bring their vessels up a shallow Cleveland Creek during Staff Training Week. Frank Chlebek is bringing up the rear.)

ANY VOLUNTEERS? Those of you that would like to work as a volunteer at Owasippe should call 559-0990 and ask for Bob Poole.

TRY OUR TRIVIA

How familiar are you with Owasippe and its history? Here's a good test. First, identify the twenty people, places or things described herein. Then, find that word or name in the alpha grid at the right by circling the appropriate group of letters which could align up & down, side-to-side, or diagonally. The answers will be exhibited at the Spring Fix-It and in the next issue of VIBRATIONS. Good Luck!

CAMP NEWS CONTINUED...

CAPITAL IMPROVEMENTS. Remember the Capital Campaign of two years ago? Approximately \$200,000 of that remains for improvements at the Council's camping properties. A new priority list will soon be prepared based on the current needs of the entire camping program.

It has been projected that, by the end of 1989, nearly \$2.3 million will be needed and expended for various camp improvements and purchases of which over \$375,000 is targeted by the end of '85. Nearly \$70,000 is scheduled for the rehabbing of Camp Wolverine South over the next 5 years. That camp was last operated in 1979 and has remain dormant due to the lack of sufficient campers. The day will soon arrive, however, when that facility will reopen...perhaps as a combined super-camp with Wolverine North... perhaps as another dining hall camp ...perhaps with 25+ sites. Only time will tell, but an anticipated resurgence in camp attendance will be the key!

Obviously, with this magnitude of capital needs, a new financial drive can be expected to occur within the next two years to raise the necessary funds.
